Hi Andy and Tanya:

Apparently phthalates will likely come up at MF's hearing in Q&A. Unclear on the angle but CPSC was specifically referenced so could you work together to develop a handful of bullet points on the CPSC action and what our plans are (MRREs, HPS timing etc.) and share with this group Today if possible. Just facts. We don't need to speculate on the way the assessments will play out. Thanks.

Mark
